Houston, Texas 77074

Dear Mr. Mason,

*Our school was so impressed with your service that we would like to reserve a spot for your company to return during the new school year to capture more of our wonderful students. We normally have Career Week during the first or second week in January ( Dream Starters would add the perfect touch). We would also like to be one of the schools that you select to participate in the discounted rate program. Thank you for providing Atherton Elementary School with such professional service and we look forward to doing business with you in the near future.*

Sincerely,

Dr. Albert Lemons,  
Principal
